RULE 1 – The Field of Play

Dimensions

The field of play must be as shown in the diagram, including the team benches and the penalty box. The boundary lines and the goal lines are defined by a perimeter wall, which is part of the playing area.

Length: minimum 150 feet
maximum 210 feet

Width: minimum 75 feet
maximum 100 feet

Field Markings

All lines belong to the areas of which they are boundaries. The top of the boards is a part of the playing area.

The field of play is marked with three lines:

- A line dividing the field into two halves. The center mark is indicated at the midpoint of the halfway line. A circle with a radius of 10 feet is marked around it.
- A defensive zone line in each half, 30 feet from the center line. These lines extend vertically to the top of the perimeter wall.

Team Benches

An area off the playing surface must be provided for each team. Substitutes for the team must remain in the team bench area.

Penalty Box

An area off the field of play must be designated for players penalized by a time penalty. The assistant referee is stationed inside the penalty box. The penalty box may be on the same side of the field, separating the team benches, or on the opposite side of the field to the team benches.

Referee's Crease

A broken line with a radius of 10 feet is drawn around the penalty box. No team official or player may enter this space to discuss points of interpretation with the referee without the express permission of the referee.

The Goal Area

A goal area is defined at each end of the field as follows:

Two lines are drawn at right angles to the goal line, 2 feet from the inside of each goalpost. These lines extend into the field of play for a distance of 5 feet and are joined by a line 16 feet long drawn parallel with the goal line. The area bounded by these lines and the goal line is the goal area.

The Penalty Area

A penalty area is defined at each end of the field as follows:

Two lines are drawn at right angles to the goal line, 9 feet from the inside of each goalpost. These lines extend into the field of play for a distance of 25 feet and are joined by a line 30 feet long drawn parallel with the goal line. The area bounded by these lines and the goal line is the penalty area. Within each penalty area a penalty mark is made 24 feet from the midpoint between the goalposts and equidistant to them. An arc of a circle with a radius of 10 feet from each penalty mark is drawn outside the penalty area.

A dotted mark indicating 15 feet from the top of the arc into the penalty area.

The Restart Line

A broken line is drawn 3 feet inside the perimeter wall on each side of the playing surface, going from corner mark to corner mark. A free kick or dropped ball restart, for a stoppage nearer to the boards than this line will take place on the restart line.

The Corner Mark

The corner mark is a 9" circle drawn at the intersection of the restart line and the undrawn extension of the goal area line running parallel to the goal line. A line will be drawn, extending vertically to the top of the boards, at the point where the undrawn extension of the goal area line would intersect with the boards.

Goals

Goals must be placed on the center of each goal line. Goalposts and the crossbar must be flush with the perimeter boards, and the goal recessed into the perimeter boards. The distance between the inside of the posts is 12 feet, and the distance to the underside of the crossbar is 6 feet.

A line will be drawn between the goalposts. The crossbar, both goalposts and the line joining them must all be the same width, not exceeding 5" in width. Nets may be attached to the goals and the ground behind the goal, provided that they are properly supported and do not interfere with the goalkeeper (the suggested depth inside the goal is 5 feet).

RULE 2 – The Ball

Qualities and Measurements

The ball is:

- spherical
- made of leather or other suitable material
- of a circumference of not more than 70 cm (28 ins) and not less than 68 cm (27 ins)
- not more than 450 g (16 oz) in weight and not less than 410 g (14 oz) at the start of the match
- of a pressure equal to 0.6 – 1.1 atmosphere (600 – 1100 g/cm²) at sea level (8.5 lbs/sq. in 15.6 lbs/sq. in)

Replacement of a Defective Ball

If the ball bursts or becomes defective during the course of a match:

- the match is stopped
- the match is restarted by dropping the replacement ball at the place where the first ball became defective (subject to the special circumstances in rule 8)

If the ball bursts or becomes defective whilst not in play at a kick-off, goal kick, corner kick, free kick or penalty kick:

- the match is restarted accordingly

The ball may not be changed during the match without the authority of the referee.

RULE 3 – The Number of Players

Players

A match is played by two teams, each consisting of not more than six players, one of whom must be a goalkeeper.

A match may not start if either team consists of fewer than four players. A match may not continue if a team is reduced to fewer than 4 players eligible to be on the field.

Substitutes

Teams may also dress up to 12 substitutes; a maximum of 18 named players on the team sheet.

In all matches the team sheet listing the names of all of the players must be given to the referee prior to the start of the match.

Substitution Procedure

To replace a player by a substitute, the following conditions must be observed:

- the player must first leave the field. A player is considered to have left the field if he is inside the restart line between the ends of his team's bench area, and as long as he is not interfering with play.
- once the player has left the field, the substitute may enter the field from either gate to the team bench.
- a substitution is completed when the substitute enters the field of play.
- all substitutes are subject to the authority and jurisdiction of the referee, whether called upon to play or not.

Guaranteed substitution opportunity

Play will be held up for reasonable time to allow teams to substitute:

- after a goal has been scored
- after a time penalty has been awarded
- on a serious injury to a player.
- **at a stoppage designated by the referee**

In these circumstances a team cannot be penalized for too many players.

Changing the Goalkeeper

The alternate goalkeeper, or any other player, may change place with the goalkeeper at any guaranteed substitution,

provided that the referee is notified before the change is made.

Infringements/Sanctions

If a substitute enters the field of play without a player having first left the field, or the player being replaced intentionally interferes with play after the substitute has entered the field:

- play is stopped.
- the team is penalized by a 2 minute minor-misconduct 'too many players'.
- play is restarted with a free kick to the opposing team at the place the ball was located when play was stopped (subject to the special circumstances in rule 8)

If a colleague changes places with the goalkeeper without the referee's permission before the change is made:

- play continues
- both players concerned are cautioned and shown the yellow card when the ball is next out of play

Named Players Sent Off Before the Start of the Game

If a player named on the game sheet is sent off before the start of the game, the team will nevertheless start the game with 6 players. No additions may be made to the team sheet to replace a named player who is sent off, whether before or after the start of the game.

Bench Personnel:

A maximum of three non-playing personnel may be on the bench.

All non-playing personnel must be listed on the team sheet given to the referee prior to the start of the match.

Applicable decisions of the International F.A. Board

The coach may convey tactical instructions to the players during the match. He and the other team officials must remain within the confines of the bench area; they must behave in a responsible manner.

RULE 4 – The Players' Equipment

Safety

A player must not use equipment or wear anything that is dangerous to himself or another player (including any kind of jewelry).

A player wearing a rigid cast is not permitted to play. A player may be permitted to wear a brace at the referee's discretion.

Basic Equipment

The basic compulsory equipment of a player is:

- a jersey or shirt, tucked into shorts. The shirt must be numbered.
- shorts – if thermal undershorts are worn, they must be of the same main colour as the shorts; otherwise they must not be visible whether the player is stationary or in motion.
- stockings
- shinguards
- footwear, suitable for artificial surfaces, which must be either flat soled shoes or shoes with not fewer than 30 molded rubber studs.

Shinguards

- are covered entirely by the stockings
- are made of a suitable material (rubber, plastic, or similar substances)
- provide a reasonable degree of protection

Goalkeepers

- each goalkeeper wears colours which distinguish him from the other players, the referee and the assistant referee
- goalkeepers may wear track pants and/or knee pads..

Infringements/Sanctions

For any infringement of this Rule:

- play need not be stopped
- the player at fault is instructed by the referee to correct his equipment
- the player leaves the field of play when the ball next ceases to be in play, unless he has already corrected his equipment
- any player required to leave the field of play to correct his equipment does not re-enter without the referee's permission.
- the referee checks that the player's equipment is correct before allowing him to re-enter the field of play; this may be delegated to the assistant referee
- if the referee has to check the player's equipment, the player may only re-enter the field of play when the ball is out of play

A player who has been required to leave the field of play because of an infringement of this Rule and who re-enters the field of play without the referee's permission is cautioned and shown the yellow card.

Restart of Play

If play is stopped by the referee to administer a caution:

- the match is restarted by a free kick taken by a player of the opposing side, from the place where the ball was located when the referee stopped the match (subject to the special circumstances in rule 8)

RULE 5 – The Referee

- punishes the more serious offence when a player commits more than one offence at the same time.
- takes disciplinary action against players guilty of minor misconduct, cautionable and sending-off offenses. He is not obliged to take this action immediately but must do so when the ball next goes out of play.

Decisions of the Referee

The decisions of the referee regarding facts connected with play are final.

The referee may only change a decision on realizing that it is incorrect or, at his discretion, on the advice of the assistant referee, provided that he has not restarted play.

Applicable decisions of the International F.A. Board

I Decision 1

A referee or assistant referee is not held liable for:

any kind of injury suffered by a player, official or spectator

any damage to property of any kind

any other loss suffered by any individual, club, company, association or other body, which is due or which may be due to any decision which he may take under the terms of the Rules of the Game or in respect of the normal procedures required to hold, play and control a match.

This may include:

- a decision that the condition of the field of play or its surrounds are such as to allow or not to allow a match to take place.

- any other decision which he may take in accordance with these rules or in conformity with his duties under the terms of the league rules or regulations under which the match is played

RULE 6 – The Assistant Referee

Duties

- when the whole of the ball has passed out of the field of play
- which side is entitled to any restart
- when a player should be penalized for a 3 line violation
- when a team has made an illegal substitution
- when misconduct or any other incident has occurred out of the view of the referee
- when a player must be cautioned for committing a third offense punished by a minor misconduct time penalty.

Assistance

The assistant referee assists the referee to control the match in accordance with the Rules of the Game. The Assistant Referee will signal using a whistle to stop play, but the referee is the final judge of any action to be taken.

In the event of undue interference or improper conduct, the referee will relieve an assistant referee of his duties and make a report to the appropriate authorities.

RULE 7 – The Duration of the Match

Periods of Play

The match lasts two equal periods of 25 minutes, unless otherwise mutually agreed between the referee and the two participating teams. Any agreement to alter the periods of play (for example to reduce each half because of insufficient time left in the booking period) must be made before the start of play and must comply with competition rules.

Half-Time Interval

Players are entitled to an interval at half-time.

The half-time interval must not exceed 3 minutes.

Competition rules must state the duration of the half-time interval.

The duration of the half-time interval may be altered only with the consent of the referee.

Provision for stopped time

The clock will not be stopped during the game for any reason except, during the last two minutes of each match, the clock shall be stopped whenever the ball is out of play.

Penalty Kick

If a penalty kick has to be taken or retaken, the duration of either half is extended until the penalty kick is completed.

Extra Time

Competition rules may provide for two further equal periods to be played. The conditions of Rule 8 will apply.

Abandoned Match

An abandoned match is replayed unless the competition rules provide otherwise.

RULE 8 – The Start and Restart of Play

Preliminaries

The team listed as the home team has the right to decide which goal it will attack in the first half of the match.

The team listed as the visitors takes the kick-off to start the match.

The home team takes the kick-off to start the second half of the match.

In the second half of the match the teams change ends and attack the opposite goals.

Kick-off

A kick-off is a way of starting or restarting play:

- at the start of the match
- after a goal has been scored
- at the start of the second half of the match
- at the start of each period of extra time, if applicable

A goal may be scored directly from the kick-off.

Procedure

- all players are in their own half of the field
- the opponents of the team taking the kick-off are at least 10 feet from the ball until it is in play
- the ball is stationary on the center mark
- the referee gives a signal
- the ball is in play when it is kicked and moves forward
- the kicker does not touch the ball a second time until it has touched another player

After a team scores a goal, the kick-off is taken by the other team.

Infringements/Sanctions

If the kicker touches the ball a second time before it has touched another player:

- a free kick is awarded to the opposing team to be taken from the place where the infringement occurred (subject to the special circumstances in rule 8)

For any other infringement of the kick-off procedure:

- the kick-off is retaken

Dropped Ball

A dropped ball is a way of restarting the match after a temporary stoppage which becomes necessary, while the ball is in play, for any reason not mentioned elsewhere in these rules.

Procedure

The referee drops the ball at the place where it was located when play was stopped. (subject to the special circumstances in rule 8)

Play restarts when the ball touches the ground.

Infringements/Sanctions

The ball is dropped again:

- if it is touched by a player before it makes contact with the ground
- if the ball leaves the field of play after it makes contact with the ground, without a player touching it

Special Circumstances

A dropped ball to restart the match after play was temporarily stopped takes place on the penalty mark if the ball was anywhere inside the penalty area at the time of the stoppage,

A free kick awarded to the attacking team for a technical offense (any offense other than one of the eleven penal offenses) committed inside the opponent's penalty area, will be taken from the top of the penalty arc.

A free kick to restart play awarded for any incident or stoppage of play closer to the side perimeter wall than the restart line, will take place on the restart line at the point nearest where incident occurred. A dropped ball to restart play that would be closer to the side perimeter wall than the restart line will take place on the restart line at the point nearest the ball when play was stopped.

A free kick to restart play awarded for any incident or stoppage of play closer to the end perimeter wall than the undrawn line between the corner marks, will take place on that undrawn line at the point nearest where incident occurred. A dropped ball to restart play that would be closer to the end perimeter wall than the undrawn line between the corner marks take place on that undrawn line at the point nearest the ball when play was stopped.

A free kick awarded if play is stopped because of an offense committed by personnel on the team bench will be taken at the place where the ball was when play was stopped, subject to the preceding paragraphs in this section.

In all cases in these rules, the restriction against a player touching the ball twice at any kick off or restart includes instances where the kicker touches the ball after it rebounds off the perimeter wall or the referee without the ball having been played or touched by another player.

On any start or restart, the team entitled to the kick has five (5) seconds to play the ball.

In the event of taking more than five (5) seconds, the kicker is penalized by a two (2) minute minor misconduct penalty for delaying the restart.

However, that team remains entitled to the restart.

RULE 9 – The Ball In and Out of Play

Ball Out of Play

The ball is out of play when:

- play has been stopped by the referee
- it has wholly crossed the perimeter wall, or has touched the side netting
- it strikes the netting or any structure above or overhanging the playing surface

Ball In Play

The ball is in play at all other times, including when:

- it rebounds from the boards and remains in the field of play
- it rebounds from the referee on the field of play
- it touches a player who has technically left the field by being within the start line and between the gates to the bench, and who is being replaced by a substitute, but who is in no way attempting to play the ball or interfere with play.

RULE 10 – The Method of Scoring

Goal Scored

A goal is scored when the whole of the ball passes over the goal line, between the goalposts and under the crossbar, provided that no infringement of the Rules of the Game has been committed previously by the team scoring the goal.

Winning Team

The team scoring the greater number of goals during a match is the winner. If both teams score an equal number of goals, or if no goals are scored, the match is drawn.

Competition Rules

For matches ending in a draw, competition rules may state provisions involving extra time, or other procedures approved by the governing body to determine the winner of a match.

RULE 11 – Three line violation

A three line violation occurs:

- when the ball touches or is played by a player in his own defensive zone, and
- the ball crosses all three lines in the air without touching another player, the referee, the field or the boards.

No Offense

When a team has 2 fewer players eligible to be on the field than the opposing team, any player may propel the ball over three lines.

Infringements/Sanctions

For a three line violation, the referee awards a free kick to the opposing team to be taken from the place where the ball crossed the first defensive line.

RULE 12 – Fouls and Misconduct

Fouls and misconduct are penalized as follows:

Penal offenses

A free kick is awarded to the opposing team if a player commits any of the following seven offenses in a manner considered by the referee to be careless, reckless or using excessive force:

- kicks or attempts to kick an opponent
- trips or attempts to trip an opponent
- jumps at an opponent
- charges an opponent
- strikes or attempts to strike an opponent
- pushes an opponent
- boards an opponent (i.e. contact which forces an opponent into the perimeter wall).

A free kick is also awarded to the opposing team if a player commits any of the following four offences:

- tackles an opponent to gain possession of the ball, making contact with the opponent before touching the ball
- holds an opponent
- spits at an opponent
- handles the ball deliberately (except for the goalkeeper within his own penalty area)

A free kick is taken from where the offence occurred. (subject to the special circumstances in rule 8)

Penalty Kick

A penalty kick is awarded if any of the above eleven offences is committed by a player inside his own penalty area, irrespective of the position of the ball, provided it is in play.

Technical offences

A free kick is awarded to the opposing team if a player, in the opinion of the referee, commits any of the following four offences:

- plays in a dangerous manner
- impedes the progress of an opponent
- prevents the goalkeeper from releasing the ball from his hands
- commits any other offence not previously mentioned in rule 12, for which play is stopped to caution or dismiss a player.

A free kick is also awarded to the opposing team if a goalkeeper, inside his own penalty area, commits any of the following four offences:

- if a player intentionally passes the ball back to his own goalkeeper from any other zone of the playing field except the passer's own zone (between his defensive zone line and the goal line) and the goalkeeper handles the ball. This includes instances where a team makes a series of passes or a player dribbles the ball back to the goalkeeper across the defensive line into the defensive zone. However, the goalkeeper may play the ball in any other manner so long as he does not handle the ball.
- touches the ball again with his hands after it has been released from his possession and has not touched an opponent
- touches the ball with his hands at any time after having had the ball under control and unchallenged for more than 5 seconds
- having taken the ball in his hands, fails to release the ball within 5 seconds.

In all cases, the free kick is taken from where the offence occurred (subject to the special circumstances in rule 8).

Disciplinary Sanctions

Minor misconduct

In addition to a free kick, the referee may also penalize an offending player by showing the blue card to indicate a minor misconduct, a 2 minute time penalty.

A referee may assess a 2-minute minor misconduct time penalty to a player who, in the opinion of the referee, is guilty of unsporting behaviour.

A 2 minute minor misconduct time penalty must be assessed for the following offences:

1. a player delaying the restart of play
2. a player failing to retire the required distance whenever play is started or restarted with kick taken by the opponents.

The restart for the offences mentioned in #'s 1 & 2 above shall be the original restart prior to the time penalty being assessed.

3. a team official or player for spitting on the playing surface

The restart for the offence mentioned in # 3 above shall be a free kick to the opposing team at a point where the offence occurred (subject to the special circumstances listed in Rule 8).

Cautionable Offences

A player is cautioned and shown the yellow card if he commits any of the following six offenses:

1. is guilty of unsporting behaviour
2. shows dissent by word or action
3. persistently infringes the Rules of the Game
4. enters or re-enters the field of play without the referee's permission
5. leaves the field of play without the referee's permission
6. is assessed a 3rd minor misconduct time penalty.

For any of these offenses, the offending player is assessed two 2 minute time penalties.

Sending-Off Offenses

A player is sent off and shown the red card if he commits any of the following seven offenses:

1. is guilty of serious foul play.
2. is guilty of violent conduct.
3. **Boarding**
4. spits at an opponent or any other person
5. denies an opponent a goal or an obvious goal-scoring opportunity by deliberately handling the ball (this does not apply to a goalkeeper within his own penalty area)
6. denies an obvious goal-scoring opportunity to an opponent moving towards the player's goal by any penal offense.
7. uses offensive, insulting or abusive language
8. receives a second caution in the same match.

For any of these offenses except the last, the offending player is assessed a 5 minute major time penalty.

Management of Time Penalties

Types of time penalty:

1. A Minor Misconduct Time Penalty which is 2 minutes in duration, is assessed for any offense which, in the referee's opinion, warrants greater punishment than a free kick or penalty kick. The penalized player serves the penalty time.

2. A Double-Minor Time Penalty, comprising two separate minor time penalties, is assessed for any cautionable offense. The penalized player serves the penalty time.

3. A Major Time Penalty which is 5 minutes in duration and is assessed for any sending-off offense except a second caution. A colleague of the dismissed player must serve the 5 minute major time penalty.

Timing of time penalties:

All Time Penalties shall be timed independent of the game time and shall be stopped when the ball is out of play.

Relief of the balance of a minor time penalty:

If a team has fewer players on the playing surface than the opponents, because one or more players are serving a minor time penalty, and that team is scored upon by an opponent, then:

- if the earliest unexpired minor time penalty is the last or only time penalty being served by a player, that player shall return to the field.
- if the earliest unexpired minor time penalty is the first of consecutive time penalties, the balance of the earliest unexpired minor time penalty shall be relieved, and next time penalty shall begin.

Only one unexpired minor time penalty will be relieved if the opponents scored a goal.

No relief for a major time penalty:

If a team is reduced to a lesser number of players on the playing surface than its opponent, and only major time penalties are currently being served, and that team is scored upon by an opponent, the remaining major penalty time is not voided. The affected team continues to play shorthanded.

Minor time penalty assessed when a penalty kick is awarded:

If a player concedes a penalty kick, and is also assessed one (or two) minor time penalties, and a goal is scored direct from the penalty kick, that player shall be relieved from serving the (first) penalty, but only if his team is not currently serving two major time penalties.

No relief where teams are of equal playing strength:

In situations where both teams have the same number of players on the field and a goal is scored, no penalty time is nullified, regardless of whether the team conceding the goal has more unexpired time penalties than the other.

Co-incident minor time penalties:

In situations involving an equal number of minor or double minor time penalties arising from the same incident or at the same stoppage in the game, the players involved will go to the penalty box to serve the penalties. The teams shall play with the same number of players on the field as there were when the coincidental time penalties were called. The offending players shall be released from the penalty box at the first opportunity after the penalty time expires that play is held up, and with the referee's permission.

Coincidental minor penalties are not relieved by a goal being scored, even if the team is playing shorthanded and the coincidental penalty is the only minor time penalty being served.

Co-incident major time penalties:

In situations involving coincidental and/or simultaneous major penalties because of players from each team being sent off, an equal number of penalties (e.g. 1 or 2 from each team) shall cancel one another. If, however, one team incurs more major penalties than the other team, each remaining 5 minute penalty must be assessed and served.

Limit on time penalties assessed to a player at a single stoppage in play:

When a player is assessed a series of minor time penalties in succession arising from a single incident or during the same stoppage in play, the time served by the team or player shall not exceed one double minor time penalty.

When a player is assessed a series of minor and major time penalties in succession arising from a single incident or during the same stoppage in play, and no time penalty is assessed to an opponent, the time served by the team or player shall not exceed one major time penalty.

When a player is assessed a series of minor and major time penalties arising from a single incident or at the same stoppage in play, and an opponent is also assessed one or more minor penalties, the player dismissed may be assessed both minor and major penalties, to a maximum of 5 minutes (a major penalty) more than the opponent.

No additional time penalties will be assessed against a player who commits further misconduct after having been assessed a major time penalty. Rather, the referee shall record and report the misconduct in writing to the appropriate league.

Multiple major and minor time penalties in the last 5 minutes of a match:

In the situation where a player is assessed both a major time penalty, and one or more minor time penalties, and there are fewer than 5 minutes remaining in the match, 2 players from that team will go to the penalty box, one to serve the major penalty, and the other to serve the minor penalty(s). Two players will go to the box, even if neither can begin to serve a time penalty because of other time penalties currently being served.

If only one player can begin serving a time penalty, because one other player from the penalized team is currently serving a time penalty, the major penalty will be served first.

Time penalties assessed to a player already serving a time penalty:

When a player is serving one or more minor time penalties, and after play has restarted commits another offense warranting additional penalty time, that penalty time shall be in addition to the penalty time already assessed, and shall commence after all penalty time to the penalized player has expired.

However, if the additional penalty is a major penalty and there are fewer than 5 minutes remaining, or if the additional penalty is one or more minor penalties, then a colleague of the player will go to the penalty box to serve the additional penalty.

Third (or subsequent) penalized player from the same team:

If a team has two players each serving one or more time penalties, and a third player of that team receives one or more time penalties, the third player must go to the penalty box. If the time penalty resulted from a dismissal, a colleague of the dismissed player must go to the penalty box.

The penalty time of the third player shall not commence until all penalty time assessed to one of the other penalized player has elapsed. He must, however, be replaced by a substitute since four players must be on the playing field at all times.

If the non-offending team scores, having more players on the field, the earliest minor time penalty being served (if any) is relieved. If that completes all penalty time assessed to that player, he may return to the team bench. The penalty time assessed to the third player may then commence.

If all the penalty time assessed against one penalized player expires, because the non-offending team does not score, the penalty time assessed to the third player may commence. However, the player whose time penalty has expired may not be released from the penalty bench until play has been stopped in accordance with the Rules. He may then go directly to the bench.

Injury to a penalized player:

If a penalized player is injured, a colleague may serve the time penalty for the injured player, who may go to the team bench for treatment. The player originally penalized may not return to the playing surface until after all penalty time assessed to him has expired.

Time penalties assessed to a goalkeeper:

Any minor time penalties assessed against a goalkeeper will be served by a colleague of the goalkeeper.

Decisions of the Alberta Soccer Association:

If a goalkeeper is dismissed, he can be replaced by any other player from that team not currently serving a time penalty. The goalkeeper must be replaced before play can be restarted. The referee may award a further time penalty against the bench, if the team delays replacing a dismissed goalkeeper.

Any simulating action anywhere on the field, which is intended to deceive the referee, must be sanctioned as unsporting behaviour.

Delayed calling of time penalties:

Where an offense warrants a time penalty, but the referee wishes to apply the advantage clause, the referee will acknowledge the offense and signal by holding the blue card in the air, until one of the following occurs:

- the offending team gains possession of the ball. The referee will stop play, penalize the offending player, and restart by a free kick where the original offense took place (subject to the special circumstances in rule 8).
- the non-offending team scores a goal. The offense is recorded, but no penalty time is served as long as the offending team does not have two players currently serving major time penalties. Play is restarted with a kick off.
- either team commits any other offense. The referee will stop play, penalize the original offender and any other player, if appropriate, and restart play according to the nature of the offense.
- the ball goes out of play. The referee will penalize the original offender and any other player, if appropriate, and restart play accordingly for the stoppage.

Referees are advised to use discretion in the calling of delayed time penalties, to include only situations where clean-cut advantages or goal scoring opportunities present themselves.

If during the delayed penalty the original offender is guilty of a further offense that warrants a time penalty, that time penalty will be assessed in addition to the time penalty for the original offense.

Applicable decisions of the International F.A. Board

Decision 1

A penalty kick is awarded if, while the ball is in play, the goalkeeper, inside his own penalty area, strikes or attempts to strike an opponent by throwing the ball at him.

Decision 2

A player who commits a cautionable or sending-off offense, either on or off the field of play, whether directed towards an opponent, a team-mate, the referee, an assistant referee or any other person, is disciplined according to the nature of the offense committed.

Decision 3

The goalkeeper is considered to be in control of the ball by touching it with any part of his hand or arms. Possession of the ball includes the goalkeeper deliberately carrying the ball, but does not include the circumstances where, in the opinion of the referee, the ball rebounds accidentally from the goalkeeper, for example after he has made a save.

Decision 4

Subject to the terms of Rule 12, a player may pass the ball to his own goalkeeper using his head or chest or knee, etc. If, however, in the opinion of the referee, a player uses a deliberate trick while the ball is in play in order to circumvent the Rule, the player is guilty of unsporting behaviour. He is cautioned, shown the yellow card and an indirect free kick is awarded to the opposing team from the place where the infringement occurred. (subject to the special circumstances in rule 8)

A player using a deliberate trick to circumvent the Rule while he is taking a free kick, is cautioned for unsporting behaviour and shown the yellow card. The free kick is retaken.

In such circumstances, it is irrelevant whether the goalkeeper subsequently touches the ball with his hands or not. The offense is committed by the player in attempting to circumvent both the letter and the spirit of Rule 12.

Decisions of the Alberta Soccer Association

Definition of Boarding:

- **Any contact by a player that forces an opponent to hit the perimeter wall that in the opinion of the referee is careless, reckless or using excessive force, will result in the offending player being sent off boarding.**
- Any other contact by a player that indirectly results in an opponent hitting the perimeter wall will result in the offending player being penalized by a caution for unsporting behaviour.

Kicking a player from behind:

- An attempted tackle from behind, which is careless, reckless or using excessive force, with little or no attempt to play the ball will result in the offending player being sent off for serious foul play.

The purpose of the referee's crease:

- Is to allow the referee to carry out his duties without interference by the players or team officials. For any breach of the rules regarding this area, an offending player will be assessed a 2 minute minor misconduct. Continued breach of the rule will result in the offending player being cautioned for unsporting behaviour. Breach of the rule by a team official will result in a 2 minute penalty to the bench and, at the referee's discretion, the official being removed from the field.

Spitting on the playing surface:

- Any player or team official found spitting on the playing surface will be punished by a 2 minute minor misconduct. This should normally be issued to the bench, but may be issued to the player at the discretion of the referee.

RULE 13 – Free Kicks

Types of Free Kicks

All free kicks are direct.

- if a direct free kick is kicked directly into the opponents' goal, a goal is awarded.
- if a direct free kick is kicked directly into the team's own goal, a corner kick is awarded to the opposing team.

For all free kicks, the ball must be stationary when the kick is taken and the kicker does not touch the ball a second time until it has touched another player.

For all free kicks, the referee will give the signal for the taking of the kick. The kicker shall have five (5) seconds to put the ball into play, and the referee shall indicate visually (gesture) and verbally the five (5) second count.

Procedure

Free kick to the defending team inside their own penalty area:

- all opponents are at least 15 feet from the ball
- all opponents remain outside the penalty area until the ball is in play
- the ball is in play when it is kicked directly beyond the penalty area
- the free kick may be taken from anywhere inside the penalty area.

Free kick elsewhere:

- all opponents are at least 15 feet from the ball, or not closer than the nearest goalpost if the free kick is within 15 feet from the nearest goalpost, until the ball is in play
- the ball is in play when it is kicked and moves
- the free kick is taken from the place where the infringement occurred (subject to the special circumstances in rule 8).

Infringements/Sanctions

If, when a free kick is taken by the defending team from inside its own penalty area, the ball is not kicked directly into play:

- the kick is retaken

If, after the ball is in play, the kicker touches the ball a second time before it has touched another player:

- if the kick was taken outside the penalty area, and the ball was then touched with the hands by a player other than the goalkeeper inside his own penalty area, a penalty kick is awarded
- otherwise, a free kick is awarded to the opposing team, the kick to be taken from the place where the infringement occurred (subject to the special circumstances in rule 8)

RULE 14 – The Penalty Kick

A penalty kick is awarded against a team which commits one of the eleven penal offenses, inside its own penalty area and while the ball is in play.

A goal may be scored directly from a penalty kick.

Additional time is allowed for a penalty kick to be taken at the end of each half or at the end of periods of extra time.

Position of the Ball, the kicker and the Goalkeeper

- The ball is placed on the penalty mark
- The player taking the penalty kick is properly identified
- The defending goalkeeper remains on his goal line, facing the kicker, between the goalposts until the ball has been kicked

Position of the other players

- inside the field of play, and
- 10 feet away from the penalty mark, and
- no closer to the goal than the penalty mark.

The Referee

Procedure

- the player taking the penalty kicks the ball forward
- he does not play the ball a second time until it has touched another player
- the ball is in play when it is kicked and moves forward

When a penalty kick is taken during the normal course of play, or time has been extended at half-time or full time to allow a penalty kick to be taken or retaken, a goal is awarded if, before passing between the goalposts and under the crossbar:

- the ball touches either or both of the goalposts and/or the crossbar, and/or the goalkeeper

Infringements/Sanctions

If the referee gives the signal for a penalty kick to be taken and, before the ball is in play, one of the following situations occurs:

The player taking the penalty kick infringes the Rules of the Game:

- the referee allows the kick to proceed
- if the ball enters the goal, the kick is retaken
- if the ball does not enter the goal, the kick is not retaken

The goalkeeper infringes the Rules of the Game:

- the referee allows the kick to proceed
- if the ball enters the goal, a goal is awarded
- if the ball does not enter the goal, the kick is retaken

A team-mate of the player taking the kick enters the penalty area or moves in front of or within 10 feet of the penalty mark:

- the referee allows the kick to proceed
- if the ball enters the goal, the kick is retaken
- if the ball does not enter the goal, the kick is not retaken

- if the ball rebounds from the goalkeeper or the boards and is touched by this player, the referee stops play and restarts the game with a free kick to the defending team.

A team-mate of the goalkeeper enters the penalty area or moves in front of or within 10 feet of the penalty mark:

- the referee allows the kick to proceed
- if the ball enters the goal, a goal is awarded

- otherwise, a free kick is awarded to the opposing team, the kick to be taken from the place where the infringement occurred (subject to the special circumstances in rule 8)

The ball is touched by an outside agent as it moves forward:

- the kick is retaken

The ball rebounds into the field of play from the goalkeeper, the crossbar or the goalposts, and is then touched by an outside agent:

- the referee stops play
- play is restarted with a dropped ball at the place where it touched the outside agent (subject to the special circumstances in rule 8)

RULE 15 – Ball out of play: ceiling or side

A free kick is awarded when the ball:

- has wholly crossed the side perimeter wall, or has touched the side netting, other than for a goal kick or corner kick. In this case, play shall be restarted by a free kick to be taken by an opponent of the team touched or played the ball last, at place where the ball was last touched or played (subject to the special circumstances in rule 8)
- strikes the netting or any structure above or overhanging the playing surface. In this case, play shall be stopped and restarted by a free kick to be taken by an opponent of the team that touched or played the ball last, at the center of the defensive line closest to where the ball was last touched or played.

Procedure

- the ball is in play when it is kicked and moves

Infringements/Sanctions

If, after the ball is in play, the kicker touches the ball a second time before it has touched another player:

Kicks from the Penalty Mark

Taking kicks from the penalty mark is a method of determining the winning team where competition rules require there to be a winning team after a match has been drawn

Players eligible to take kicks from the penalty mark

All players, whether on the field or on the team bench at the end of the match (including extra time where applicable) are eligible to participate in taking kicks from the penalty mark. Any player previously dismissed, or still serving a time penalty at the end of the match, is not eligible, but any player serving a time penalty for a another player who was ejected will be eligible.

Procedure

- The referee chooses the goal at which the kicks will be taken
- The referee tosses a coin and the team whose captain wins the toss takes the first kick
- The referee keeps a record of the kicks being taken
- Subject to the conditions explained below, both teams take five kicks
- The kicks are taken alternately by the teams
- If, before both teams have taken five kicks, one has scored more goals than the other could score, even if it were to complete its five kicks, no more kicks are taken
- If, after both teams have taken five kicks, both have scored the same number of goals, or have not scored any goals, kicks continue to be taken in the same order until one team has scored a goal more than the other from the same number of kicks

- Unless otherwise stated, the relevant Rules of the Game and International F.A. Board Decisions apply when kicks from the penalty mark are being
